

Friendly West Rental Waiting List Request Form

This form is to request being placed on the “waiting list” to rent a home at Friendly West HOA. Once a rental slot becomes available, owners on the waiting list will be notified by e-mail in order of request submission date received and will then be given the opportunity to rent their townhome at Friendly West. Owners that rent have sixty (60) days to provide a copy of the lease agreement to the HOA *for approval **before** the lease is executed*. Failure to submit a copy of the lease within sixty (60) days for board approval will remove that owner from the rental availability list and the option will be given to the next owner on the list.
