

MAPLE RIDGE HOMEOWNERS ASSOCIATION TOWING POLICY

The Board of Directors has adopted the following towing policy for residents or their guests, which has been approved for any parking violations of the Policies and Procedures of the Association.

VIOLATION:

1. Any vehicle parked in a resident's designated parking space.
2. Any vehicle or equipment parked in a manner that blocks, hinders or endangers vehicular or pedestrian traffic.
3. Any vehicle or equipment parked in a manner that blocks or hinders any emergency vehicles (fire trucks, ambulance, and police) access to the community.
4. Abandoned, unlicensed vehicles or vehicles with expired tags or expired inspection stickers
5. Any vehicle or equipment that is parked, kept, maintained, constructed, reconstructed or repaired in violation of the Policies and Procedures.

NOTICE:

Residents are requested to notify Lambeth Management of any vehicle suspected to be in violation.

PROCESS:

1. Once Lambeth Management has been notified of a violation, the vehicle or equipment will be tagged as being in violation and the resident will be sent a written notice.
2. The resident has seven days to remove the vehicle or equipment or to contact Lambeth Management about the violation notice.
3. If after seven days, the vehicle or equipment is still in violation and Lambeth Management has not been contacted, the towing service will be called to remove the vehicle from the property without further notice and at the resident's expense.
