Storm Door Specifications

We have established the following guidelines for any homeowner wishing to install a storm door:

1. Door must be full view plain glass.
2. Door must be trimmed in white.
3. Door must have polished brass hardware.

******If you install your door and do not follow these guidelines you may be asked to remove the door at your expense.**

I have read the above guidelines and understand that if the installation of my proposed door is not in full compliance with the above, that I will be asked to remove or correct the errors at my expense.

All installations are subject to inspection by the HOA Board/Architectural Committee
