(a) the right of the Section Association to permit the use of and to charge reasonable admission and other fees for the use of any recreational facility situated upon the Section Common Area;

(b) the right of the Section Association to suspend the voting rights and the right to the use of any recreational facilities and the Section Common Area (provided, however, that no Owner shall be denied access to such Owner's Lot) by an Owner for any period during which any assessment, fine or other charge against his Lot remains unpaid;

### ARTICLE III

#### SECTION MEMBERSHIP AND VOTING RIGHTS

SECTION 1. MEMBERSHIP. Every Owner of a Lot which is subject to a lien for assessments shall be a member of the Section Association. Section Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

SECTION 2. CLASSES OF MEMBERSHIP. The Section Association shall have two (2) classes of voting membership:

Class A. Class A Section Members shall be all Owners other than the Declarant. Class A Section Members shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Section Members. The vote or votes for such Lot shall be exercised as they among themselves determine.

Class B. The Class B Section Member shall be the Declarant and shall be entitled to four (4) votes for each Lot owned. The Class B Section Membership shall cease and be converted to Class A Section Membership, as the case may be, on the happening of either of the following events, whichever occurs earlier:

0000004

(a) when the total votes outstanding in the Class A Section Membership equals the total votes outstanding in the Class B Section Membership, provided, however, that the Class B Section Membership shall be reinstated if after such conversion and before the time stated in subparagraph (b) below, additional lands are annexed to the Property pursuant to the provisions of Article XII, Section 4, herein, containing a sufficient number of Lots to give the Class B Section Member a total number of votes in excess of the Class A Section Members; or,

(b) on December 31, 2005.

SECTION 3. RIGHT OF DECLARANT TO REPRESENTATION ON BOARD OF DIRECTORS OF THE SECTION ASSOCIATION. Notwithstanding anything to the contrary herein, until December 31, 2005, Declarant shall have the right to designate and select a majority of the Board of Directors of the Section Association. Whenever Declarant shall be entitled to designate and select any person or persons to serve on any Board of Directors of the Section Association, the manner in which such person or persons shall be designated shall be as provided in the Articles of Incorporation and/or Bylaws of the Section Association. Declarant shall have the right to remove any person or persons selected by it to act and serve on said Board of Directors and to replace such person or persons with another person or other persons to act and serve in the place of any Director or Directors so removed for the remainder of the unexpired term of any Director or Directors so removed. Any Director designated and selected by Declarant need not be an Owner. However, Declarant shall be responsible, pursuant to the provisions of Article IV, for the payment of assessments which may be levied by the Section Association against any Lot or Lots owned by Declarant, and for complying with the remaining terms and provisions hereof in the same manner as any other Owner. Any representative of Declarant serving on the Board of Directors of Section Association shall not be required to disqualify himself from any vote upon any contract or matter between Declarant and the Section Association where Declarant may have a pecuniary or other interest. Similarly, Declarant, as a Member of the Section Association, shall not be required to disqualify itself upon any contract or matter between Declarant and the Section Association where Declarant may have a pecuniary or other interest.

#### ARTICLE IV

##### COVENANT FOR MAINTENANCE AND ASSESSMENTS

SECTION 1. CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner for any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay:

(i) to the Section Association (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided; (ii) to the appropriate governmental taxing authority: (1) a pro rata share of ad valorem taxes levied against the Section Common Area, and (2) a pro rata share of assessments for public improvements to or for the benefit of the Section Common Area if the Section Association shall default in the payment of either or both for a period of six (6) months; and (iii) to the Master Association a fine of \$100.00 per day for failure to complete the dwelling and landscaping on any Lot as and if required in the restrictive covenants set forth in the deed to the Lot. The annual and special assessments, and any fine or other charge, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment and charge, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment or charge fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

## SECTION 2. PURPOSE OF ASSESSMENTS.

(a) The assessments levied by the Section Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Property and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Section Common Area and for maintenance of those improvements located outside of the Section Common Area but which benefit the Property, including but not limited to: (i) portions of the wet detention ponds and related equipment located on the Lake Tract; (ii) the storm water drainage system that carries storm water runoff from Lots, the Section Common Area and the Master Common Area and located in drainage easements shown on the Plat and consisting of pipes, grates, berms, swales and ditches; and (iii) any decorative wood fences and landscaping that may be erected by Declarant or its designees pursuant to Article V, Section 3 (hereinafter collectively referred to as "Other Maintained Improvements"). Expenditures may include, but are not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against the Section Common Area, the procurement and maintenance of insurance in accordance with the Bylaws, the payment of charges for garbage collection service for the Property, the employment of attorneys to represent the Section Association when necessary, and such other needs as may arise.

0000006

(b) All monies collected by the Section Association shall be treated as the separate property of the Section Association, and such monies may be applied by the Section Association to the payment of any expense of operating and managing the Property, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the Bylaws of the Section Association. As monies for any assessment are paid unto the Section Association by any Lot Owner, the same may be commingled with monies paid to the Section Association by the other Lot Owners. Although all funds and common surplus, including other assets of the Section Association, and any increments thereto or profits derived therefrom shall be held for the benefit of the Section Members of the Section Association, no Member of the Section Association shall have the right to assign, hypothecate, pledge or in any manner transfer his Section Membership interest therein, except as an appurtenance to his Lot. When a Lot Owner shall cease to be a Member of the Section Association by reason of his divestment of ownership of his Lot, by whatever means, the Section Association shall not be required to account to such Owner for any share of the funds or assets of the Section Association, or which may have been paid to the Section Association by such Owner, as all monies which any Owner has paid to the Section Association shall be and constitute an asset of the Section Association which may be used in the operation and management of the Property.

### SECTION 3. MAXIMUM ANNUAL ASSESSMENT.

(a) Until January 1 of the year immediately following the year of conveyance of the first Lot to an Owner, the maximum annual assessment shall be as follows:

For each Lot, Four Hundred Eighty and 00/100 Dollars (\$480.00) per year, which shall be deemed to be a rate of maximum annual assessment of Forty and 00/100 Dollars (\$40.00) per Lot per month.

(b) The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter shall be established by the Board of Directors and may be increased by the Board of Directors without approval by the Section Membership by an amount not to exceed twenty percent (20%) of the maximum annual assessment of the previous year.

(c) The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter may be increased without limit by a vote of two-thirds (2/3) of each class of Section Members who are voting in person or by proxy, at a meeting duly called for this purpose.

(d) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum, subject to the provisions of Section 6 of this Article.

SECTION 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS. In addition to the annual assessments authorized above, the Section Association may levy, in any calendar year, a special assessment for the purpose of defraying in whole or in part the costs of any construction, reconstruction, repair or replacement of a capital improvement upon Lots, the Section Common Area or Other Maintained Improvements, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Section Members who are voting in person or by proxy at a meeting duly called for this purpose. All special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly or annual basis.

SECTION 5. NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all Section Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Section Members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of Section Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 6. RATE OF ANNUAL ASSESSMENT.

(a) Annual assessments must be fixed at a uniform rate for all Lots.

(b) The Declarant shall pay annual assessments on Lots owned by it on the same basis as other Lot Owners.

SECTION 7. DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS; DUE DATES. The annual assessments provided for herein shall be collected on a monthly or quarterly basis and shall commence for each Lot (other than condominium units) conveyed by the Declarant to an Owner on the first day of the first month following the conveyance of such Lot. The annual assessments for Lots owned by Declarant commence as to a particular Lot at the time the first Lot shown on the recorded subdivision plat (that includes the particular Lot) is conveyed to an Owner. The annual assessments for each condominium unit, however owned, shall commence on the same day that condominium assessments commence as provided in the recorded declaration of condominium applicable to such unit. The

first annual assessment shall be adjusted according to the number of months remaining in the calendar year after conveyance of such Lot.

At least thirty (30) days in advance of each annual assessment period, the Board of Directors shall fix the amount of the annual assessment and shall send written notice thereof to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Section Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Section Association setting forth whether the assessments on a specified Lot have been paid.

SECTION 8. EFFECT OF NONPAYMENT OF ASSESSMENTS; REMEDIES OF THE SECTION ASSOCIATION. Assessments authorized by this Declaration shall be due and payable on the dates established by the Board of Directors from time to time. Fees, fines and penalties authorized by this Declaration shall be due and payable thirty (30) days after written notice thereof from the Section Association to the Owner. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum. The Section Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien created herein against the property in the same manner as prescribed by the laws of the State of North Carolina for the foreclosures of deeds of trust, and interest, costs and reasonable attorney's fees for representation of the Section Association in such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the Section Common Area or abandonment of his Lot.

SECTION 9. EFFECT OF DEFAULT IN PAYMENT OF AD VALOREM TAXES OR ASSESSMENTS FOR PUBLIC IMPROVEMENTS BY SECTION ASSOCIATION. Upon default by the Section Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Section Common Area or assessments for public improvements to the Section Common Area, which default shall continue for a period of six (6) months, each Owner of a Lot in the development shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments in an amount determined by dividing the total taxes and/or assessments due the governmental authority by the total number of Lots in the development. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on the Lot of the then Owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the Owner.

SECTION 10. SUBORDINATION OF THE LIEN TO MORTGAGES. The liens provided for herein shall be subordinate to the lien of any first mortgage or deed of trust. Sale or transfer of any Lot shall not affect the assessment lien or liens provided for in the preceding section. However, the sale or transfer of any Lot which is subject to any such first mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to the payment thereof which become due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or deed of trust.

SECTION 11. EXEMPT PROPERTY. All property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements intended for or devoted to dwelling use shall be exempt from said assessments.

## ARTICLE V

### MAINTENANCE OF SECTION COMMON AREA, OTHER MAINTAINED IMPROVEMENTS, LOTS AND DWELLINGS

SECTION 1. MAINTENANCE OF SECTION COMMON AREA AND OTHER MAINTAINED IMPROVEMENTS. The Section Association shall maintain the Section Common Area and Other Maintained Improvements. The storm water drainage system and any wet detention ponds shall be maintained and repaired in accordance with all ordinances and requirements of the City of Greensboro. If the Section Association should be dissolved or cease to exist, and therefore cease to maintain the storm water drainage system and the wet detention ponds, then in such event, the Owners of Lots shall be jointly and severally liable for the cost of such maintenance.

SECTION 2. ASSOCIATION'S STANDARD OF MAINTENANCE. The Section Association shall perform its maintenance obligations under this Declaration in a reasonable manner and on a reasonable basis as shall be determined by the Board of Directors, in the exercise of its discretion.

SECTION 3. OWNER'S MAINTENANCE OF LOTS AND DWELLINGS. Unless otherwise provided in separate restrictions or a separate declaration, each Owner shall be responsible for the repair, maintenance and upkeep of the Lot and the dwelling on such Lot, including but not limited to any and all vegetation, driveways and walks, patios, wooden decks or any part thereof. If Declarant or its designee constructs fences and/or installs landscaping on a Lot

in the Section Common Area Maintenance and Fence Easement ("SM&FE") as part of the initial improvements, then such fences and the landscaping between the fences and the front lot lines will be maintained, repaired and replaced by the Section Association. To enable the Section Association to accomplish the foregoing, there is hereby reserved to the Section Association the right to unobstructed access over the SM&FE and upon each Lot at all reasonable times to perform maintenance, repair and replacement of the fences as provided in this Section 3.

SECTION 4. OWNER'S STANDARD OF MAINTENANCE. Lot Owners shall perform their repair, maintenance and upkeep obligations under this Declaration in accordance with Architectural Guidelines and/or Community Standards for The Point at Lake Jeanette, as they may be promulgated from time to time, and in a reasonable and prudent manner to a standard harmonious with other Lots in The Point at Lake Jeanette. If any Owner should fail to discharge the above-described obligations to such a standard, the Board of Directors of the Association may, in its sole discretion, give written notice of such failure to the Owner who shall have a period time determined by the Board (not less than forty-eight (48) hours or more than fifteen (15) days) to cure such failure. If the Owner fails to take the necessary action to discharge the Owner's obligation within the time period designated by the Board of Directors, the Association shall have the right to take, at the Owner's expense, any action necessary to cure the failure and charge the Owner with the cost thereof. If the Owner does not pay such cost within fifteen (15) days after written notice thereof from the Association, then the amount so owed, together with interest, cost and attorney's fees, shall become a lien on the Owner's Lot, payment of which may be enforced in accordance with the provisions of Article IV.

## ARTICLE VI

### ARCHITECTURAL CONTROL

SECTION 1. THE ARCHITECTURAL CONTROL COMMITTEE. An Architectural Control Committee consisting of five (5) or more persons shall be appointed by Declarant so long as it owns at least one Lot in the Property. At such time as Declarant no longer owns at least one Lot in the Property, the Committee shall be appointed by the Board of Directors of the Section Association.

SECTION 2. PURPOSE. The Architectural Control Committee shall regulate the external design, appearance, use, location and maintenance of the Property, other than any condominium project located therein, and of improvements thereon in such a manner so as to preserve and enhance values and to maintain an harmonious relationship among structures and the natural vegetation and topography.

000011

### SECTION 3. CONDITIONS.

(a) Initial construction of a Dwelling on a Lot (other than a condominium unit) shall be subject to the terms and conditions set forth in the restrictive covenants contained in the deed for such Lot from Declarant to the first purchaser thereof. After the completion of construction of such Dwelling and its occupancy as a residence, except as expressly provided herein, no improvements, alterations, repairs, change of paint colors, plantings, excavations, changes in grade or other work which in any way alters the exterior of any Dwelling, Lot or improvements located thereon from its natural or improved state existing on the date the Dwelling on such Lot was first occupied as a residence shall be made or done without the prior written approval of the Architectural Control Committee. No building, residence or other structure shall be commenced, erected, maintained or improved, altered, removed, made or done without the prior written approval of the Architectural Control Committee. By way of illustration and not of limitation, the following acts shall require the prior written approval of the Architectural Control Committee: any improvements, alterations, additions or deletions affecting any part of the exterior of the Dwelling, the Lot or any improvements thereon, whether temporary or permanent, including: paving; roofing; exterior painting; landscaping; exterior lighting; fencing; lawn and porch furniture; all decorative and functional ornamentation including flags, planters, statues, bird feeders and baths, doghouses, mailboxes and all personal signage.

(b) Initial construction of any condominium development and any improvements, alterations, repairs or changes thereto shall be subject to the terms and conditions of any restrictions set forth in any deed for the tract or parcel of land upon which such condominium is to be built and to any declaration of condominium applicable thereto, which declaration must have the prior written approval of Cornwallis Development Co., or its successors or assigns.

SECTION 4. GUIDELINES. Subject to the approval of the Board of Directors, the Architectural Control Committee may, from time to time, promulgate architectural guidelines and/or community standards ("Guidelines") for the Property, other than condominium developments.

SECTION 5. PROCEDURES. Any owner or person desiring to make any improvement, alteration or change described in Section 3 above shall submit the plans and specifications therefor, showing the nature, kind, shape, height, materials and location of the same, to the Architectural Control Committee which shall evaluate such plans and specifications in light of the purpose of this Article as set forth in Section 2 above and the Guidelines as set forth in Section 4 above. In the event the Committee fails to approve, modify or disapprove in writing an application within sixty (60)

days after plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. The applicant may appeal an adverse Architectural Control Committee decision to the Board of Directors of the Section Association which may reverse or modify such decision by a two-thirds (2/3) vote of the Directors.

## ARTICLE VII

### TRAFFIC REGULATIONS AND MAINTENANCE OF RIGHT-OF-WAY

SECTION 1. TRAFFIC AND PARKING REGULATIONS. All Section Members, their family members, guests, invitees and tenants shall abide by all state and local traffic regulations and other laws and ordinances regulating motor vehicles while on the Property.

SECTION 2. PROHIBITED PARKING. Parking is prohibited on the Section Common Area driveways, streets and alleys that are not bounded with curb and gutter, including the sides, shoulders and side ditches. In areas within the Property having streets not bounded by curb and gutter, Owners and the other persons defined in Article VIII, Section 1 ("Authorized Users"), their guests, invitees and licensees, shall be permitted to park motor vehicles only in their respective garages and in the approved driveways serving their respective Lots. Parking on Section Common Area driveways and streets bounded by curb and gutter shall be subject to such rules and regulations as the Association may promulgate from time to time.

SECTION 3. ENFORCEMENT. Violations of Sections 1 and 2 above shall constitute a nuisance and, in addition to all other remedies available to it at law and in equity, the Section Association shall have the authority to: (i) remove the offending vehicles from the Section Common Area upon the commission of a second offense by an Owner or Authorized Users of his Lot (the costs of such removal and any storage fees shall be the responsibility of the Owner and the Authorized User); and (ii) assess reasonable fines against a Member for violations by him/her or by his/her family member, guest, invitee or tenant. Such fines shall be deemed to be assessments as set forth in Article IV of this Declaration and if not paid within thirty (30) days after notice and demand therefor, the Association shall be entitled to the remedies set forth in Article IV, Section 8.

## ARTICLE VIII

The use restrictions for any condominium development and the units therein shall be as set forth in the applicable declaration of condominium.

Owners of Lots with garages shall keep the interior of such garages in a neat and orderly condition and shall keep garage doors closed as much as practical.

SECTION 3. ANIMALS. No animals, livestock or poultry of any kind shall be kept or maintained on any Lot or in any Dwelling except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes and further provided that they are kept and maintained in compliance with all laws and ordinances of the City of Greensboro and the County of Guilford relating thereto.

SECTION 4. OUTSIDE ANTENNAS. No outside radio or television antenna or satellite dish or disk shall be erected on any Lot or Dwelling within the Property unless and until permission for the same has been granted by the Board of Directors of the Section Association or its Architectural Control Committee.

SECTION 5. BOATS, TRAILERS AND CERTAIN MOTOR VEHICLES. No boats, buses, trailers, campers or recreational vehicles shall be parked on any Lot unless such boat or vehicle is parked in a garage with the garage door fully closed.

SECTION 6. TRASH CONTAINERS AND CLOTHESLINES. Trash containers shall be kept in garages or located on Lots so as to be screened from view from adjoining Lots and from streets and alleys. Clotheslines may be erected on Lots only if screened from view from adjoining Lots and from streets and alleys.

## ARTICLE IX

### EASEMENTS

SECTION 1. UTILITIES. Easements for installation and maintenance of utilities (including cable television service) and drainage facilities are reserved as shown on the recorded Plat. Within these easements no structures, planting or other material shall be placed or permitted to remain, nor will the alteration or removal of any berms, swales or ditches be permitted, which may interfere with the installation and maintenance of utilities, or which may change the direction or flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. An easement is hereby established for the benefit of the City of Greensboro over all Section Common Areas as may be reasonably necessary for the setting, removal and reading of water meters, the maintenance and replacement of water, sewer and drainage facilities, for affording police protection, and for the fighting of fires and collection of garbage. An easement is also hereby established for the benefit of the Section Association over drainage and utility easements shown on the Plat for the maintenance, repair and replacement of the storm water drainage system.

SECTION 2. ZERO LOT LINE SETBACKS AND RELATED MAINTENANCE EASEMENTS. As shown on the plat, certain Lot lines have been designated "Zero Lot Line Setback" ("ZLL"). Whenever a ZLL is present on a Lot (the "ZLL Lot") an eight foot (8') maintenance easement ("ME"), also shown on the Plat, is located on the Lot adjacent to the ZLL (the "ME Lot"). Where shown on the Plat, a ME is a perpetual right and easement across the ME Lot for the benefit of the ZLL Lot for the purposes of: (i) permitting reasonable ingress, egress and regress to the ZLL Lot Owner over the ME to maintain and repair the dwelling on the ZLL Lot and to maintain any landscaping and vegetation on the ZLL Lot adjacent to the ME Lot; and (ii) permitting the discharge of water from the roof of the dwelling on the ZLL Lot onto the ME. The easement granted in (i) above shall include the right to use ladders, scaffolding and other equipment necessary and proper for the maintenance and repair of the dwelling and the landscaping on the ZLL Lot; provided, however, the Owner of the ZLL Lot shall utilize such easement in a reasonable manner so as to minimize damage to vegetation, plants,

000015

grass and landscaping located on the ME. If the Owner of a ZLL Lot exercises reasonable care in the proper use of the ME, such Owner shall not be liable for damage to vegetation, plants, grass and landscaping in an ME.
