

**MAPLE RIDGE HOMEOWNERS ASSOCIATION
ARCHITECTURAL CONTROL COMMITTEE
STORM DOOR SPECIFICATIONS FORM**

STORM DOOR SPECIFICATIONS:

We have established the following guidelines for any homeowner wishing to install a storm door.

1. Storm door must be full view, plain glass; or full view, ventilating.
2. For townhomes on even Grantland only, the storm door must be trimmed in black or bronze.
3. For all other townhomes and single family homes, the storm door must be trimmed in black, bronze or white.
4. Storm door hardware must be brushed nickel, bronze, or polished brass.

If you install your door and do not follow these guidelines, you may be asked to remove the door at your expense.

I have read the above guidelines and understand that if the installation of my proposed door is not in full compliance with the above, that I may be asked to remove or correct the errors at my expense.
