Except as otherwise provided in the Bylaws with respect to the filling of vacancies, any members of the Executive Board which Declarant is not entitled to designate or select shall be elected by the Members of the Association.

Whenever Declarant shall be entitled to designate and select any person or persons to serve on any Executive Board of the Association, the manner in which such person or persons shall be designated shall be as provided in the Articles of Incorporation and/or Bylaws of the Association, and Declarant shall have the right to remove any person or persons selected by it to act and serve in the place of any member or members of the Executive Board so removed for the remainder of the unexpired term of any member or members of the Executive Board so removed. Any Executive Board member designated and selected by Declarant need not be a resident of the Property.

ARTICLE IV COVENANT FOR MAINTENANCE AND ASSESSMENTS

SECTION 1. CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner for any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay: (a) to the Association; (i) annual and other assessments and charges provided for herein, together with interest and late fees, costs and reasonable attorney's fees; (ii) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided ("Special Assessments"); and (b) to the appropriate governmental taxing authority: (i) a pro rata share of ad valorem taxes levied against the Common Elements; and (ii) a pro rata share of assessments for public improvements to or for the benefit of the Common Elements if the Association shall default in the payment of either or both for a period of six (6) months. All assessments and charges provided for herein, together with interest, any late fees, costs and reasonable attorney's fees, shall be a charge on the land and shall constitute a continuing lien upon the property against which each such assessment is made when a claim of lien is filed of record in the Office of the Clerk of Superior Court, Guilford County, North Carolina. Each such assessment and charge, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent shall not pass to his successors in title unless expressly assumed by them.

SECTION 2. PURPOSE OF ASSESSMENTS. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Property and in particular for the acquisition, improvement and maintenance of Property, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Elements, or related to the maintenance, use and enjoyment of those improvements and areas outside of the Common Elements but which benefit the Property, including but not limited to: the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed

against the Common Elements; the payment of assessments for public and private improvements made to or for the benefit of the Common Elements; the maintenance of open spaces and streets which have not been accepted for dedication for public authority, road medians and islands (including medians and islands located in dedicated rights-of-way within the Property), drives and parking areas within the Common Elements; the procurements and maintenance of liability insurance in accordance with the Bylaws; the maintenance of dams and ponds, including retention or detention ponds, or other bodies of water or other storm water drainage system, if any, located within the Common Elements or at the Property; the maintenance of entrance ways, the private driveway known as Verde Lane, landscaping and lighting of Common Elements, the cost of operating, maintaining and repairing any street lights erected by the Association or the Declarant in the rights-of-way of streets (whether public or private) or in any other easement provided therefor within the Property; the costs of performing yard maintenance on each Lot, including maintaining (and as necessary and authorized herein, replacing) all "standard landscaping" (as defined herein) and grass including mowing and all seasonal maintenance thereon (the "Other Maintained Improvements"); the cost of maintaining, repairing and/or replacing the common mailbox unit (the "Common Mailbox Unit") which is located in the public right of way; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements, without limiting the generality of the foregoing, paving, and any other major expenses for which the Association is responsible; and such other needs as may arise.

(a) The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Elements and those other portions of the Property which the Association may be obligated to maintain. Such reserve fund is to be established out of regular assessments for common expense.

(b) All monies collected by the Association shall be treated as separate property of the Association, and such monies may be applied by the Association to the payment of any expenses of operating and managing the Property; or to the proper undertaking of all acts and duties imposed upon by virtue of this Declaration, the Articles of Incorporation and the Bylaws of the Association. As monies for any assessment are paid to the Association by any Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom shall be held for the benefit of the Members of the Association, no Member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Lot. When the Owner shall cease to be a Member of the Association by reason of his divestment of ownership of his Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Property.

SECTION 3. ADOPTION OF BUDGET AND FIXING OF ANNUAL ASSESSMENTS;
MAXIMUM ANNUAL ASSESSMENT.

(a) At least thirty (30) days in advance of each annual assessment period, the Executive Board shall establish an annual budget and fix the amount of the annual assessments in advance for the following year. Within thirty (30) days of the adoption of any proposed budget, the Executive Board

shall provide to all of the Owners a summary of the budget and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. In establishing such annual budget, and in fixing the amount of such annual assessments, the Executive Board, in its direction, may consider other sources of funds available to the Association, including, without limitation, any subsidy by the Declarant, which subsidy, in the sole discretion of Declarant, may be in the form of a contribution, an advance against future assessments due, or a loan, with or without interest at market rate. Any such subsidy or contribution in the nature thereof shall be disclosed as a line item in the budget. The payment of any such subsidy in any year shall under no circumstances obligate Declarant to continue payment of such subsidy in future years. The Executive Board shall set a date for a meeting of the Owners to consider ratification of the budget, such meeting to be held not less than 10 nor more than 60 days after mailing of the summary and notice. There shall be no requirement that a quorum be present at the meeting. The budget is ratified unless at that meeting the Owners of a majority of the Lots reject the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the Owners shall be continued until such time as the Owners ratify a subsequent budget proposed by the Executive Board.

(b) Until December 31 of the year in which this Declaration is recorded, the maximum annual assessment shall be Eighteen Hundred and no/100 Dollars (\$1,800.00) per Lot for lots sold to a third party other than the Declarant. For lots owned by the Declarant, the maximum annual assessment shall be \$0.00 per lot. The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter shall be established by the Executive Board and may be increased by the Executive Board without approval by the membership by an amount not to exceed ten percent (10%) of the maximum annual assessment of the previous year. The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter may be increased without limit by a vote of the Members entitled to cast at least two-thirds (2/3) of the votes of each class of Members of the Association who are voting, in person or by proxy, at a meeting duly called for this purpose; however, during any Period of Declarant Control, Declarant must also consent to such action.

(c) The Executive Board may fix the annual assessment at an amount not in excess of the maximum, subject to the provisions of Section 6 of this Article.

SECTION 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS. In addition to the annual assessments authorized above, the Association may levy, in any calendar year, a special assessment for the purpose of defraying in whole or in part the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements or Other Maintained Improvements, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of the Members entitled to cast at least two-thirds (2/3) of the votes of each class of Members of the Association who are voting, in person or by proxy, at a meeting duly called for this purpose; provided, however, during the Period of Declarant Control, Declarant must also consent to such action. All special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly or semi-annual basis, as determined by the Members approving such assessments. Declarant hereby gives notice that any Lot Owner shall be subject to a special assessment of not less than Two Hundred Dollars (\$200.00) per Lot for each mailbox included in the Common Mailbox Unit (s) to be installed in the public right of way of the subdivision.

SECTION 5. NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 3 AND 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 and 4 of this Article shall be sent to all Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast twenty percent (20%) of all the votes of each class of Members of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 6. RATE OF ANNUAL ASSESSMENT. Except as specifically set forth in Article XI of this Declaration, both annual and special assessments must be fixed at a uniform rate for all Lots; provided, however, that so long as any Lot is owned by Declarant or assignee of Declarant's development rights, Declarant or its assignee may pay, in lieu of such assessment, a subsidy with respect to such Lot as provided in Section 3 of this Article.

SECTION 7. DATE AND COMMENCEMENT OF ANNUAL ASSESSMENTS: DUE DATES. The annual assessments provided for herein shall commence as to a Lot on the first day of the month following: (i) the date such Lot is conveyed to other than Declarant or an assignee of Declarant's development rights or a licensed homebuilder; or (ii) the first day of the month following commencement of construction of a residence by the Declarant on a Lot owned by the Declarant. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The due dates shall be established by the Executive Board. Annual assessments may be collected on a monthly, quarterly, semi-annual or annual basis, as determined by the Association's Executive Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

SECTION 8. WORKING CAPITAL ASSESSMENTS. In addition to the annual assessments authorized above, at the time of the closing of the first sale of each Lot to a party other than an assignee of Declarant's development rights or a licensed homebuilder or upon the commencement of construction of a residence by the Declarant on a Lot owned by the Declarant, the purchaser(s) or Declarant thereof shall pay to the Association an amount equal to two-twelfths (2/12ths) of the then current annual assessment established by the Association. Such funds shall be used by the Association to establish a Working Capital Fund, the purpose of which is to insure that the Association will have sufficient monies available to meet its initial operational needs. No such payments made into the Working Capital Fund shall be considered advance or current payment of regular assessments. All monies paid into the Working Capital Fund shall be held and administered by the Association in accordance with the terms of this Declaration and the Bylaws.

SECTION 9. EFFECT OF NONPAYMENT OF ASSESSMENTS: REMEDIES OF THE ASSOCIATION. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at a rate from time to time established by the Association not to exceed eighteen (18%) per annum. In addition, the Association may charge a reasonable late fee, the amount of which shall be established from time to time by the Executive Board of the Association, for assessments not paid within thirty (30) days after the due date and after notice and an opportunity to be heard, the

Association may suspend privileges or services provided by the Association (except rights to access to Lots) during any period that assessments or other amounts due and owing to the Association remain unpaid for a period of thirty (30) days or longer, which suspension may continue without further hearing until the delinquency is cured. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien created herein against the property in the same manner as prescribed by the laws of the State of North Carolina for the foreclosure of a mortgage or deed of Trust on real estate under power of sale, and interest, costs and reasonable attorney's fees for representation of the Association in such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessment provided for herein by nonuse of the Common Elements or abandonment of his Lot nor shall damage to or destruction of any improvements on any Lot by fire or other casualty result in any abatement or diminution of the assessments provided for herein.

SECTION 10. EFFECT OF DEFAULT IN PAYMENT OF AD VALOREM TAXES OR ASSESSMENTS FOR PUBLIC IMPROVEMENTS BY ASSOCIATION. Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Elements or assessments for public improvements to the Common Elements, which default shall continue for a period of six (6) months, each Owner of a Lot in the development shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments in an amount determined by dividing the total taxes and/or assessments due the governmental authority by the total number of Lots in the development. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on the lot of the then Owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the Owner.

SECTION 11. FORECLOSURE OF FIRST MORTGAGES. When the holder of a first mortgage or first deed of trust of record, or other purchaser of a Lot, obtains title to the Lot as a result of foreclosure of a first mortgage or first deed of trust or deed in lieu of foreclosure, such purchasers and its heirs, successors and assigns, shall not be liable for the assessments against such Lot which become due prior to the acquisition of title by such purchaser. Such unpaid assessments shall be deemed to be common expenses collectible from all Owners, including such purchaser, its heirs, successors and assigns. Such sale or transfer of any Lot which is subject to any such first mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to the payment thereof which become due prior to such sale or transfer; provided, however, no such sale or transfer shall relieve such Lot or the Owner thereof from liability for any assessments thereafter becoming due or from the lien thereof.

SECTION 12. EXEMPT PROPERTY. All property dedicated to, and accepted by, a local public authority and all Property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE V
ARCHITECTURAL CONTROL

SECTION 1. IMPROVEMENTS. No improvements, alteration, repair, change in paint color, excavation, change in grade, planting, landscaping or other work which in any way alters the exterior of any Lot or the improvements located thereon from their natural or improved state existing on the date such Lot was first conveyed in fee by the Declarant to an Owner other than Declarant or an affiliate of Declarant shall be commenced, erected or maintained upon any Lot and no building, fence, wall, residence or other structure or planting or landscaping shall be commenced, erected, maintained, improved, altered or removed until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Executive Board or by an architectural committee composed of three (3) or more representatives appointed by the Executive Board (the "Architectural Control Committee"). Further, nothing herein contained shall prevent or interfere with the right of the Declarant to improve and develop the Property, including the Lots, as Declarant chooses, so long as said development follows the general plan of development of the Property previously approved by the appropriate local governmental authority. Accordingly, Declarant need not seek or obtain the approval of the Architectural Control Committee for improvements erected on the Property by or at the direction of Declarant. In addition, during Declarant's Development Period, Declarant may approve any plans and specifications rejected by the Executive Board or the Architectural Control Committee for the construction or alteration of improvements on any Lot provided the construction or alteration approved by Declarant comport with the general scheme of development approved by Guilford County or other appropriate local governmental authority. Such approval by Declarant shall operate and have the same effect as approval by the Executive Board or the Architectural Control Committee.

SECTION 2. PROCEDURES.

(a) Any person desiring to make any improvement, alteration or change described in Section 1 above shall submit the plans and specifications therefor, showing the nature, kind, shape, height, materials and location of the same, to the Executive Board of the Association or the Architectural Control Committee which shall evaluate such plans and specifications in light of the purposes of this Article.

(b) Upon approval by the Architectural Control Committee of any plans and specifications submitted pursuant to this Declaration, a copy of such plans and specifications, as approved, shall be deposited for permanent record with the Architectural Control Committee and a copy of such plans and specific action bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot of any plans and specifications shall not be deemed a waiver of the Architectural Control Committee's right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with any other Lot. Approval of such plans and specifications relating to any Lot, however, shall be final as to that Lot and such approval may not be reviewed or rescinded thereafter, provided that there has been adherence to and compliance with, such plans and specifications, as approved, as the Association may require that the Owner(s) requesting any change under this Article be liable for any cost of maintaining, repairing and insuring the approved alteration. If such condition is imposed, the Owner(s) shall evidence consent thereto by a written

document in recordable form satisfactory to the Association. Thereafter, the Owner(s), and any subsequent Owner(s) of the Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, are deemed to covenant and agree that the cost of maintaining, repairing and insuring such alteration shall be a part of the annual assessment or charge set forth herein, and subject to the lien rights described herein.

(c) Neither Declarant, nor any other member of the Association's Executive Board or Architectural Control Committee, shall be responsible or liable in any way for any defects in any plans or specifications approved by them, nor for any structural defects in any work done according to such plans and specifications. Further, neither Declarant, nor any member of the Association's Executive Board or Architectural Control Committee, shall be liable in damages to anyone by reason of mistake in judgment, negligence, misfeasance, malfeasance or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications or the exercise of any other power or right provided for in this Declaration. Every person who submits plans or specifications for approval agrees, by submission of such plans and specifications, and every owner of any Lot agrees, that he or she will not bring any action or suit against Declarant, or any member of the Association's Executive Board or Architectural Control Committee, to recover any such damage.

ARTICLE VI EXTERIOR MAINTENANCE

SECTION 1. EXTERIOR MAINTENANCE. The Association shall maintain the Common Elements, including the completed bio-cells and all areas covered by easement or licenses owned or held by the Association and all storm water drainage components located on any Lot and any grass-lined swales, rock check dams or similar components located on any Lot, as directed by the governmental office having jurisdiction for watershed protection and, as specifically set forth in this Declaration, the Other Maintained Improvements. In the event the Association should be dissolved or cease to exist, Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner for any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree, to be jointly and severally liable to pay a pro rata share of any and all costs of the maintenance of all permanent retention or detention ponds. Each Owner shall be responsible for the exterior maintenance of his or her dwelling and Lot (except as specifically provided otherwise in this Declaration), as follows: Painting, replacement and care of roofs, gutters, down spouts, exterior building surfaces, fencing, driveways, walks and other exterior improvements. In the event that the Owner neglects or fails to maintain his or her improved Lot and/or the exterior of his or her dwelling in a manner with other improved Lots and dwellings within the Property or fails to maintain his or her improved Lot in a safe condition and free of debris, the Association may provide such exterior maintenance. Provided, however, that the Association shall first give written notice to the Owner of the specific items of exterior maintenance or repair the Association intends to perform and the Owner shall have twenty (20) days from the date of mailing of said notice within which to perform such exterior maintenance himself or herself. The determination as to whether an Owner has neglected or failed to maintain his or her Lot and/or dwelling in a manner consistent with other Lots and dwellings within the Property shall be made by the Executive Board of the Association, in its sole discretion. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right to unobstructed access over and upon each Lot at all reasonable times to perform maintenance as provided in this Article VI, Section 1. In the event the Association performs such exterior maintenance, repair or replacement, or in

the event that the need for maintenance, repair or replacement of Other Maintained Improvements is caused through the willful or negligent act of the Owner, the cost of such maintenance, replacement or repairs shall be added to and become a part of the assessment to which such Lot is subject.

SECTION 2. MAINTENANCE OF IRRIGATION SYSTEM AND LINES. The Association shall be responsible for the maintenance of all irrigation systems and lines installed by the Association or located on the Common Elements and shall maintain and repair all irrigation lines located within the dedicated utility easements which serve such irrigation system.

SECTION 3. REPAIR AND RECONSTRUCTION OF ASSOCIATION PROPERTY. The Association shall have the authority and the duty to repair or reconstruct Common Area or other property which the Association is obligated to insure ("Insured Property") that is damaged or destroyed unless such repair or reconstruction would be illegal under any state or local ordinance governing health or safety, or Members representing at least eighty percent (80%) percent of the total vote of the Association vote not to repair or reconstruct.

Except as otherwise provided in this Section, the Board shall diligently pursue to completion the repair or reconstruction of that part of the Insured Property damaged or destroyed. The Association may take all necessary or appropriate action to affect such repair or reconstruction. Such repair or reconstruction shall be in accordance with the original plans and specifications unless other plans are approved by the Board.

The proceeds of any insurance collected shall be available to the Association for the purpose of repair or reconstruction of Insured Property. If the proceeds of insurance are insufficient to pay the estimated or actual cost of such repair or reconstruction, then the Board, pursuant to Section IV may levy in advance a Special Assessment sufficient to provide funds to pay such estimated or actual costs of repair or reconstruction. Such assessment shall be allocated and collected as provided in Article IV. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair or reconstruction. The insurance proceeds held by the Association and the amounts of any such Special Assessments shall constitute a fund for the payment for costs of repair or reconstruction after casualty. If a balance exists after payment of all costs of such repair or reconstruction, such balance shall be distributed to the Owners of the Lots in proportion to the contributions made by each Owner to the Association.

If a decision is made not to restore the damaged improvements and no alternative improvements are authorized, the Association shall clear the affected property of all debris and ruins and thereafter shall maintain such improvements in a neat and attractive, landscaped condition consistent with the community-wide standard. The cost of removal and landscaping shall be paid for with insurance proceeds. The Association shall retain the remaining proceeds in its general or other funds or shall allocate or distribute such funds as the Board determines appropriate, provided any such distribution of insurance proceeds shall be proportionate to the Members' interests.

(a) The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, the Bylaws of the Association and all rules and regulations of the Association adopted pursuant thereto. Failure to comply with any of the terms of this Declaration or other restrictions contained in the Bylaws of the Association, or which may be adopted pursuant thereto, shall be grounds for relief, including without limitation, an action to recover sums due for damages, injunctive relief, foreclosure of lien, or any combination thereof. The Association shall have the right to request that law enforcement, public safety and animal control officers come on the Property to facilitate the enforcement of the laws, codes and ordinances of any governmental authority.

(b) The Association, after notice to the Owner and a reasonable opportunity to be heard, shall have the right to assess reasonable fines against an Owner for violations of this Declaration, the Bylaws of the Association or the Association's published rules and regulations by such Owner, or such Owner's family, guests, invitees and lessees in an amount not to exceed \$150.00 for each violation, and without further hearing, for each day after the decision that the violation occurs.

(c) Such fines shall be deemed to be assessments as set forth in Article IV of the Declaration and if not paid within thirty (30) days after notice and demand therefore, the Association shall be entitled to the remedies set forth in the Declaration for the enforcement and collection of delinquent assessments.

(d) The Association, after notice to the Owner and a reasonable opportunity to be heard, shall have the right to suspend privileges or services provided by the Association (except rights of access to Lots) for reasonable periods of violations of this Declaration or the Bylaws, Articles or rules and regulations of the Association. If it is decided that a suspension of privileges or services provided by the Association should be imposed, the suspension may be continued without further hearing until the violation is cured.

(e) If an Owner is legally responsible for damage inflicted on any Common Elements, the Association may direct such Owner to repair such damage, or the Association may itself cause the repairs to be made and recover damages from the responsible Owner. If damage is inflicted on any Lot by an agent of the Association in the scope of the agent's activities as such agent, the Association is liable to repair such damage or to reimburse the Owner for the cost of repairing such damages. The Association shall also be liable for any losses to the Owner. When any such claim for damages against an Owner or the Association is less than or equal to the jurisdictional amount established for small claims by North Carolina General Statutes Section 7A-210, any aggrieved party may request that a hearing be held before an adjudicatory panel appointed by the Executive Board of the Association to determine if an Owner is responsible for damages to any Common Elements or the Association is responsible for damages to any Lot. If the Executive Board fails to appoint an adjudicatory panel to hear such matters, such hearings shall be held before the Executive Board. Such panel shall accord to the party charged with causing damages notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. This panel may assess liability for each damage incident against each Owner charged or against the Association not in excess of the jurisdictional amount established for small claims by North Carolina General Statutes Section 7A-210. When such claim exceeds the jurisdictional amount established for

small claims by North Carolina General Statutes Section 7A-210, liability of any Owner charged or the Association shall be determined as otherwise provided by law and shall be assessments secured by lien under Section 47F-3-116 of the Planned Community Act. Liabilities of the Association determined by adjudicatory hearing or as otherwise provided by law may be offset by the Owner against sums owing to the Association and if so offset, shall reduce the amount of any lien of the Association against the Lot at issue.

(f) In any proceeding arising because of an alleged default by an Owner, the Association, if successful, shall be entitled to recover the costs of the proceedings and such reasonable attorneys' fees as may be determined by the Court

(g) The failure of the Association or any Owner to enforce any right, provision, covenant or condition which may be granted by this Declaration or the other above mentioned documents shall not constitute a waiver of the right of the Association or of the Owner to enforce such right, provision, covenant or condition in the future.

(h) All rights, remedies and privileges granted to the Association or the Owners, pursuant to any terms, provisions, covenants or conditions of the Declaration or other above mentioned documents, shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party at law or in equity.

(i) The failure of Declarant to enforce any right, privilege, covenant or condition which may be granted to it by this Declaration or other above mentioned document shall not constitute a waiver of the right of Declarant to thereafter enforce such right, provision, covenant or condition in the future.

SECTION 2. SEVERABILITY. Invalidation of any one of the covenants or restrictions by judgment or court order shall in no way affect any other provision which shall remain in full force and effect.

SECTION 3. AMENDMENT. The covenants and restrictions of this Declaration shall run and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless terminated or amended as hereinafter provided. This Declaration may be amended with the consent of the Owners entitled to cast at least sixty-seven percent (67%) of the votes of the Association and may be terminated with the consent of the Owners entitled to cast at least eighty percent (80%) of the votes of the Association; provided, however, this Declaration may not be amended or terminated without Declarant's consent during Declarant's Development Period, no amendment purporting to revoke or curtail any right herein conferred to Declarant shall be effective unless executed by Declarant, and no amendment relating to the maintenance or ownership of any permanent detention or retention pond shall be effective unless reviewed and approved by the governmental office having jurisdiction for watershed protection. Any amendment must: (1) be executed on behalf of the Association by its duly authorized officers; (2) contain an attestation by the officers executing the amendment on behalf of the Association that the requisite Owner approval has been obtained and is evidenced by written acknowledgment(s) signed by the Owners approving the amendment and made a part of the Minute Book of the Association; and (3) be properly recorded in the Office of the Register of Deeds, Guilford County, North Carolina. For the purpose of this

section, additions to existing property by Declarant pursuant to Section 4 of this Article shall not constitute an "amendment."

SECTION 4. ANNEXATION.

(a) Except as provided in Subsection (b) of this Section 4, additional residential property and Common Elements may be annexed to the Property only with the consent of the Members entitled to cast two-thirds (2/3) of the votes of the Association who are voting in person or by proxy at a meeting duly called for such purpose; provided, however, during the Period of Declarant Control, Declarant must also consent to such action.

(b) Additional land located within any other property located adjacent to or near the Property (collectively, the "Additional Property") may be annexed by the Declarant without the consent of Members with ten (10) years of the date of this instrument, provided that, in the event FHA or VA insured loans have been obtained to purchase Lots, FHA and VA determine that the annexation is in accord with the general plan from time to time approved by them. For the purpose of determining whether property is adjacent to the Property, the rights-of-way public roads and utilities, as well as rivers and streams, shall be deemed not to separate otherwise adjacent property. Declarant shall have no obligation of any kind to annex any or all of the Additional Property and, should Declarant elect to annex all or any portion of the Additional Property, Declarant shall have no obligation of any kind to annex the Additional Property in any particular sequential order. Should Declarant elect to annex all or any portion of the Additional Property and accordingly to subject such property to the terms and conditions of this Declaration, Declarant reserves the right, with regard to all or any part of the Additional Property annexed by Declarant, to make such complementary additions and/or modification of the covenants and restrictions contained in this Declaration (including, without limitation, those contained in Section 2 of Article VII hereof) as Declarant may deem necessary or convenient; provided, however, such additions and/or modifications shall not modify this Declaration with respect to the Property previously subjected thereto, and, in the event FHA and VA insured loans have been obtained to purchase Lots, FHA and VA determine that any such complimentary additions and/or modifications are in accord with the general plan from time to time approved by them. With regard to any portion of the Additional Property not annexed by Declarant, Declarant makes no representations with regard to the use of such property or the exterior appearance, design, size or intended purpose of any improvements now or hereafter erected on such property.

SECTION 5. FHA/VA APPROVAL. During the Period of Declarant Control, the following actions will require the prior approval of the Federal Housing Administration or the Department of Veterans Affairs provided that FHA or VA loans have been obtained to purchase Lots: annexation of additional Property, dedication of Common Elements and amendment of this Declaration of Covenants, Conditions and Restrictions or the Articles of Incorporation or the Bylaws of the Association.

SECTION 6. AMPLIFICATION. The Provisions of this Declaration are amplified by the Articles of Incorporation and Bylaws of the Association; but no such amplification shall alter or amend any of the rights or obligations of the Owners set forth in this Declaration. Declarant intends that the provisions of this Declaration on the one hand, and the Articles of Incorporation and Bylaws of the Association on the other be interpreted, construed, and applied to avoid inconsistencies or conflicting

results. If such conflict necessarily results, however, Declarant intends that the provisions of this Declaration control anything contained in the Articles of Incorporation or Bylaws of the Association.

ARTICLE XI
SPECIAL PROVISION FOR LOT 26

Notwithstanding anything contained in this Declaration, the following special provisions shall apply to Lot 26:

(i) Any stormwater runoff and other discharge of water from Lot 26 shall be directed to and shall use only the stormwater facility noted and described on the Plat as "Bio-Cell #2." Except for the use of Bio-Cell #2, Lot 26 shall not be permitted to use any Common Elements located within the Property or owned by the Association.

(ii) The Association shall not be responsible for maintaining, repairing or replacing the landscaping, trees, shrubs or other natural vegetative materials on Lot 26; provided, however, that the Owner of Lot 26 shall maintain such areas and items in good repair and condition at all times, consistent with the standards and practices maintained in and on the Other Maintained Areas. In the event that the Owner of Lot 26 fails or refuses to maintain such areas on Lot 26 in such condition or to such standards, the Association, after providing written notice and not more than thirty (30) days to commence the repairs or maintenance necessary, shall have the right and authority to make the repairs or perform the maintenance necessary to maintain such areas to such standards, and the cost of such repairs or maintenance shall be a Special Assessment for and against Lot 26 and shall be due and payable to the Association and subject to the remedies described in this Declaration.

(iii) The location of any residence or other structures or improvements (including driveways) on Lot 26 shall be subject to the prior written approval of the Declarant (during the Period of Declarant Control) or the Architectural Control Committee (as applicable).

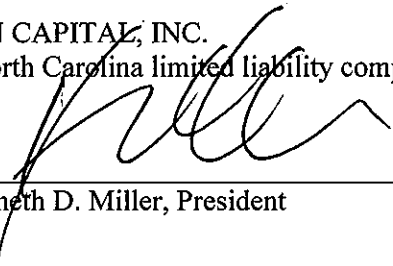

(iv) The Owner of Lot 26 shall pay annual assessments at a rate equal to twenty-five percent (25%) of the standard annual assessments. Any special assessments shall be paid at the rate as assessed.

(v) Except as specifically provided in this Article XI, Lot 26 shall be subject to the terms, conditions and provisions of this Declaration and applicable rules and regulations thereunder.
