

Cape May Village Mailbox posts and Lamppost guidance

Please advise the Architectural Control Committee for the latest information

The black "Moore Style" mailbox post and mailbox is the approved style.

**5723-Q Country Club Rd.
Winston Salem, NC 27104
www.sswnc.com
336-946-2164**

You should specify the special-order for Cape May Village of Lake Jeanette, Moore style with a Pineapple finial.

These take about 4-5 weeks to make.

They remove the old system and install the new one. The current price is about \$534.79 this includes removal & installation. This price is based on if you have a single digit address. If you have 2 or more the price will be more.

Lamp posts and Lamps

The standard style is round black metal outdoor post (cast iron or aluminum powder coat) with a single lamp.

Lamp posts must be 96" in height and may have decorative bases and crossbars.

Posts shall have a single lamp with either single or multiple bulbs.

Lamp styles should be simple, and examples are shown below.

Butler Lighting in Highpoint is a good resource, but other vendors are acceptable.
